

## New Schedule To Be Acted On

Whether the Blue Grass League will adopt a schedule of four games a week instead of two probably will be decided at a meeting to be held at the Phoenix hotel, Lexington, on Wednesday night. President Thomas M. Russell has announced. Mr. Russell expressed confidence that the change would be made and predicted that a better brand of baseball would result.

If the four-game-a-week schedule is adopted the league probably will split the season at the point where the new schedule will be taken up. It is possible, Mr. Russell declared, that a Kentucky championship series may be arranged between the winner of the last half of the Blue Grass League and the winner of the Kitty League bunting, although the matter has not been taken up with the down-state organization.

Maysville now has a lead of two games over the Lexington squad in the pennant hunt, and if the change to the new schedule is made before next Sunday, the Cardinals already have the pennant clinched for the first season of the season. Next Thursday's games will complete a third of the schedule now in effect.

"Sentiment among the fans, players and a majority of the club owners in the circuit is in favor of the four-day schedule," Mr. Russell said, "and it seems probable that the change will be made immediately."

## Mrs. Robertson Dead

Mrs. Ada Fitch Robertson, aged 28, wife of Edmund B. Robertson, died at 9:30 o'clock Friday morning at the Mary Chiles Hospital. Mrs. Robertson had been in failing health for some time and an operation was performed in hope of saving her life, but to no avail, and death came to relieve her suffering.

Mrs. Robertson was a lovely Christian woman, devoted to her family and home and ever living a life of sacrifice and service for those she loved. It is a sad, sad hour indeed when the young mother is called home after a brief existence here on earth, but He that doeth all things well knoweth best and we must bow our heads in humble submission—"not our will but Thine be done."

She is survived by her husband, one son, Paul, her parents, Mr. and Mrs. W. T. Fitch; three sisters, Misses Eula and Katherine Fitch, of this city, and Mrs. R. G. Elford, of Dayton, Ohio; three brothers, Clay, Tom and William P. Fitch, of this city.

Funeral services were held at the grave in Machpelah cemetery at 4 o'clock Sunday afternoon, the Rev. J. W. Crates, of the Methodist church, officiating.

## Purchase Rich Sand and Gravel Quarry

W. R. Foreman and Sam J. DeBord, of Ashland; Capt. J. J. Melton, of this city, and George B. Williams, of Winchester, have purchased 500 acres of land seven miles from Mt. Sterling, said to be one of the largest rural real estate transfers of the year. The purchase price was not made known, but the company which is being formed is capitalized at \$250,000. The general office will be at Ashland. The tract of land is said to be the richest sand and gravel bed in the country and the new company intends to mine the sand and gravel and place it on the market.

The best geologists say that the bed of gravel and sand is practically inexhaustible and of the finest grade. It is located in the Pilot Knob district of this county.

## Blue Grass Seed To Be Pooled

A movement was launched in Lexington Monday by members of the Farmers' Union to have Fayette county join with other Bluegrass counties in the proposed pool of blue grass seed now in process of formation, and a committee to organize Fayette county at once was appointed by President Charles Land.

This committee, which is composed of W. Rodes Estill, Robert E. Beatty, Horace W. Davis, Emmett Coons and Buford E. Allen, was instructed to meet and organize and begin pledging the crop, so as to be able to send representatives to the general meeting of the Bluegrass counties, which is to be held at Winchester later in the week. The purpose of the pool, President Land declared, is "to secure a fair and equitable price for blue grass seed and to co-operate with the other Bluegrass counties that are in the movement for the formation of a pool to control this crop."

It is understood that 90 per cent of the crop in the Bluegrass has already been pledged. It is stated that Clark county will have about 200,000 bushels; Montgomery, 75,000 bushels; Woodford, 75,000 bushels; Bourbon, 200,000 bushels, and Madison, 50,000 bushels in the pool.

## RETURNING HOME

H. B. Prewitt, of Spencer, this county, who has been on quite an extensive tour, visiting Paris, France, and other historic cities, informed Mrs. Prewitt Saturday by wire that he was in Pineville, where he will spend a few days with his son, Joe, before coming home. He said he has enjoyed his travels very much and saw great sights, still Old Kentucky is the "grandest" place of all. We agree with you fully, Mr. Prewitt, and shall be glad to hear you tell more of your travels.

## Mt. Sterling Defeats Maysville Four to One

The Mt. Sterling Essex played their best game of the year at Maysville Sunday afternoon, defeating the league leaders by the score of 4 to 1. The locals played an errorless game behind the super pitching of Franks and would have secured a shutout over the Cardinals but for a single to the outfield when the ball was lost and went for a home run. This was the only tally Maysville was able to put across.

The game here last Thursday between Paris and Mt. Sterling was forfeited to the local team when with the score 1 to 1 in the sixth inning the Paris boys objected so strenuously to a decision made by Umpire Wyatt that they refused to play the game out, thereby forfeiting to Mt. Sterling 9 to 0.

Cynthiana will be the attraction here Thursday afternoon and as they defeated Paris Sunday by a score of 2 to 1, an immense crowd should be on hand. Winchester will be the attraction here Sunday and Lexington is scheduled to play here next Thursday.

The box score of Sunday's game follows:

## NEGRO, ALLEGED HOLDUP MAN, IS PUT UNDER BOND

Charles Chenault, colored, owner and operator of a dry cleaning and pressing plant on East Main street, was tried before Judge Mastin in police court yesterday afternoon and held under \$500 bond. Chenault is charged with holding up and robbing Will Kelly, also colored, on East High street Sunday night. Kelly, at the point of a pistol, was relieved of \$40 in money and his screams for help aroused the residents of that neighborhood, who telephoned for the police. Chenault, it is said, broke and ran, but was captured a short time later and placed in jail.

Chenault was identified by a number of people who rushed to Kelly's assistance. He is said to have threatened his victim's life if he made an outcry.

## Mrs. Fannie Reese Goes To Reward

Mrs. Fannie Reese, relict of P. L. Reese, after having been totally blind for a period of four years, and having been confined to her bed for the past five weeks, passed away at two o'clock Wednesday afternoon at the age of 79 years. She was born and reared in this county and was a daughter of Alfred Ragland and wife, deceased, formerly of Clark county. Her husband preceded her to the grave about twenty-five years ago. She is survived by a daughter, Mrs. C. C. Peters, and six grandchildren, Howell and Frances Reese, Mrs. Alex Goodpaster, of Owingsville; Miss Marcella Chiles, assistant county clerk; Mrs. William Sanders and Mrs. Robert Gramling, Atlanta, and one great-granddaughter, Miss Martha Reese.

Mrs. Reese for a period of about forty years had been a member of the Christian Science church. Funeral services will be observed at her late home Wednesday, after which the body will be buried in Machpelah cemetery.

As wife sharing in adversity and prosperity; a mother indulgent and careful in the raising up of her children; as a neighbor and friend, Mrs. Reese will long be remembered as a good woman.

## Oil Company Organized
